MEDICAL SUPPORT AND OVERSIGHT	<p>You must have a prescription for AED ownership. For non-personal use you are also required to have ongoing medical oversight. An AED is an FDA regulated, medical device. Life Safety Associates® will assist you to meet federal, state and local regulations on AED acquisition and use. LifeLinkMD® provides ongoing medical oversight including board-certified physician's available on-call 24/7/365 to answer any concerns you might have for non-emergency medical questions about your AED.</p>
FDA, STATE AND LOCAL REGULATORY REQUIREMENTS	<p>LifeLinkMD® will support the completion and filing of all related forms to local and federal agencies. You will also be kept informed of any program related changes as they occur.</p>
AED & CPR TRAINING	<p>Anyone who uses an AED must have proper training. Life Safety Associates® provides a significant price break for our customers who purchase an AED from us. We follow the American Heart Association, and National Safety Council guidelines. This allows you to easily have designated responders trained. We also will remind you when it's time for review and refresher training.</p>

<p>AED/CPR SKILLS REVIEW AND REFRESHER TRAINING</p>	<p>As an owner of a Medtronic's AED device you have access to their Internet skills refreshment course as an ongoing AED review tool. Life Safety Associates® provides on-site annual AED review at a fee.</p>
<p>AED REPLACEMENT UNITS & SUPPLIES</p>	<p>Should an AED unit purchased from Life Safety Associates® need servicing Life Safety Associates® will provide a no-cost AED replacement unit until yours is taken care of.</p> <p>Life Safety Associates® will remind you when it's time to replace your AED electrodes and batteries.</p> <p>Life Safety Associates® also provides a monthly AED service ability check as required by most states for a small fee.</p>
<p>AED EVENT</p>	<p>Data transfer within 24-48 hours after a cardiac event. LifeLinkMD® provides a clinical review of patient data, which will then be forwarded to the state emergency medical services (EMS) office, attending physicians, and others as appropriate.</p>

Life Safety Associates® provides a true turn-key solution for all you AED needs.
